

TOWN OF MONROE

OFFICE OF THE FIRST SELECTMAN

COVID-19 Pandemic Update December 11, 2020

- High case rates continue throughout Connecticut, with only 6 towns in the state that are not in the “red” category.
- Today’s DPH reports shows Monroe with a total of 553 confirmed and probable cases since the beginning of the pandemic.
- Monroe’s 2-Week Case Rate dropped slightly again, averaging 6.6 cases per day, or 34.1 cases per 100,000 population.
- Currently, the State of Connecticut does not have another pop-up testing site scheduled for Monroe. I, and other Town officials, communicate regularly with the state and strongly advocate for more testing sites in Town.
- Monroe residents can be tested at a Griffin Hospital test site in Trumbull on Tuesday from 9:30 am – 3:00 pm. Enter the site at Unity Park Road, off of White Plains Road.
- Links to find additional testing locations in our area can be found at www.MonroeCT.org/COVID-19
- As announced by School Superintendent Kobza, all Monroe Public Schools will remain in full remote instruction through December 23, 2020.

 Kenneth M. Kellogg
 First Selectman

| Town | Daily Cases Rate per 100k population | 2-Week Case Total | Category | Total Tests | Percent Test Positivity |
|---------------|--------------------------------------|-------------------|------------|--------------|-------------------------|
