### COVID-19 Pandemic Update December 29, 2021

#### **\*\*\* UPDATE \*\*\* RAPID SELF-TEST KIT DISTRIBUTION**

A statewide call with the Governor's office just concluded at 5:00 PM this evening, during which we were informed that the Connecticut shipment of COVID-19 test kits has not yet left California, and that the State of Connecticut may not have the kits in time for us to receive and distribute by tomorrow afternoon. I share your frustration. We expect to get an update from the state late tonight. I will send another message tomorrow morning to advise whether or not our planned distribution must be postponed.
