**INSTALLATION GUIDELINES OF A LIQUIFIED PETROLEUM GAS (LPG) TANK**

1. An application for this type of permit shall be issued by the Town of Monroe Building Department (203) 452-2805. The applicant shall provide proof of valid license classification prior to commencing installation of said tank.
2. The permit fee will be based upon the cost of the installation.
3. NFPA 58 and 54 are the referenced documents that all installers shall adhere to.
4. An air test on the tank and piping shall be witnessed.
5. Proper anchorage is required if there is water related issues with the hole.
6. ALL MANUFACTURER'S recommendations shall be adhered to, and followed.
7. A plumbing permit is required for installation of piping.

**THE INSTALLATION OF AN INDOOR TANK IS PROHIBITED.**
